

Peach Refrigerator Cake Recipe

By Diana Rattray, About.com

Peach refrigerator cake made with marshmallows, orange juice, ginger ale, peaches, cream and lady fingers.

Ingredients:

1/2 pound marshmallows

1/2 cup orange juice

1/2 cup ginger ale

1 cup whipped cream, divided

sponge cake, or lady fingers

6 to 8 peaches, fresh, canned, or frozen and thawed, sliced

1/2 cup chopped crystallized ginger

Preparation:

Cut marshmallows in quarters; combine with orange juice in a saucepan and stir over hot water until almost melted; cool slightly and add ginger ale. When slightly thickened, fold in 3/4 cup whipped cream. Line a spring form pan with waxed paper. Arrange layer of cake or lady fingers on bottom, next a layer of 1/3 of the peaches, then layer 1/2 of the marshmallow filling; repeat until there are 3 layers of cake and 2 of filling. Chill in refrigerator overnight. Unmold; garnish with remaining peaches and whipped cream and chopped crystallized ginger.

Makes 6 to 8 servings.
